

The Annapolis Waterworks Park is a passive recreational facility operated by the Annapolis Recreation and Parks Department. This 40-acre park is situated on Defense Highway (Route 450), one mile west of the Annapolis Mall. The Park is one of the few open-space resources in the area which provides the public with hiking trails, as well as places to picnic and fish. Entrance to the park is by permit only. The park is frequently monitored to ensure all rules and regulations are being followed for everyone's safety and enjoyment.

For more information about the history of the area, please contact the Annapolis Recreation and Parks Department at 410.263.7958 or via e-mail at recpark@annapolis.gov.

PERMIT INFORMATION:

Due to the Park's ecological sensitivity and limited parking, all visitors are required to obtain a permit to use the park. Permits are issued to City of Annapolis or Anne Arundel County residents only. Valid identification must be provided prior to the issuance of any permit. A limited number of quarterly and monthly permits are issued beginning the 15th of each month (or the next business day) preceding the month the permit is valid.

PERMIT FEES:

City of Annapolis Resident Permits

Monthly \$10 Quarterly \$30 Annual \$100

Anne Arundel County Resident Permits

Monthly \$15 Quarterly \$45 Annual \$125

Permits consist of a hang tag, which should be displayed in your vehicle, and a paper permit containing the four digit code to the gate lock. The paper permit should be kept on your person while at the park. The combination to the lock is changed at 6:00 a.m. the first day of every month.

Seasonal hours are posted at the park and on the Annapolis Recreation and Parks Web site: www.annapolis.gov/recreation.

RULES AND REGULATIONS

We hope you will enjoy your visit to the Annapolis Waterworks Park. This park is home to a wide variety of wildlife and we ask that you treat the natural surroundings with respect. - State freshwater fishing license is required.
- Any person caught disobeying fishing regulations will automatically lose their park permit for the year.
- Violations should be reported to 1.800.635.6124.

HIKING

The Annapolis Waterworks Park trail system allows people of all ages and abilities to enjoy the natural beauty of the park. Trail improvements have been minimized to reduce the damage to the fragile environment. Trees have been marked with colored blazes to indicate the trail routes. We ask that you please stay in the area of the park open to the public and DO NOT TRESPASS.

The Reservoir Trail is a flat, hard-surfaced, handicap accessible trail which runs along the eastern edge of the main reservoir and the two small impoundment ponds.

The Overlook Loop Trail (Blue Blazes) is a little over a half mile long beginning at the northern edge of the earthen dam which separates the two small ponds to the east. It is not handicap accessible and covers some hilly and rough terrain overlooking the reservoirs, ending near the Reservoir Trail picnic area.

The Woodland Loop Trail (White Blazes) is a mile long continuation of the Overlook Loop Trail. It is not handicap accessible and traverses some hilly and rough terrain through a deep forest before returning along the edge of the north basin and ending near the Reservoir Trail picnic area.
